BRIEF ABSTRACT OF LETTER

Requests for the removal of the temple servants from the temple premises, involving an extra cost of Rs 192 per annum, and the removal of the temple servants from the temple premises.

NOTES AND ORDERS.

The points on which ^{orders} are solicited are

- (i) Removal of pay ent on multiple appointments held by the temple servants
- (ii) Revival of Dadhyodhava and Pongal Vi-Vedava services in the Temple, involving an extra cost of Rs 192 per annum; and
- (iii) Enhancement of the provision made in the sanctioned scale for Elephant Feeding from Rs 45 to Rs 60 per annum

NOTES—First Sheet

As regards the proposed removal of pay ent on multiple appointments held by Temple servants, according to the Govt order dated 7th December 1934, when the total remuneration due to a Temple servant holding multiple appointments, is less than Rs 6 per mensem the officials should be paid the minimum pay of Rs 6 per mensem, and when it exceeds Rs 6 per mensem, the full pay of one post carrying the highest pay and half the pay of the remaining appointments. As to be paid to the officials concerned. It was subject to this modification, that the proposals of the Revenue Commissioner to revise the scale of the Nanjangud Temple were sanctioned by Govt. A Tabular Statement showing the names of the several persons holding multiple appointments in the temple, pay of the posts, pay to be de'd, vested to them according to the Govt order and the savings effected in the sanctioned scale, is subd. There are 16 such Temple servants holding multiple posts carrying an aggregate pay of Rs 152.40 (prior to sanction). According to the Govt. the aggregate pay of all these 16 Temple servants comes to Rs 125.120, resulting in a saving of Rs 26.80 per mensem

The Deputy Commissioner, agreeing with the local officers and the Shasthadas of the Temple, has recommended that the restriction imposed by the Govt order, which has been issued in a ruling of Rs 26.00 per annum or Rs 318 per annum may be cancelled and the holders thereof allowed to draw the aggregate sum of such posts. The Revenue Commissioner has stated that the scale sanctioned in December 1938 does not require any revision, as it provides for the full sum of all such appointments. This statement of the Revenue Commissioner seems to imply that no order of Govt is now required in the recommendation of the D.C. as it can be given effect to, without such sanction on the ground that necessary full provision for the purpose is already available in the sanctioned scale. But this view does not seem to be the correct one. Though the full provision for the purpose has been shown in the sanctioned scale, its utilisation was subjected to the restriction imposed by Govt in the order of December 1938, and unless this restriction is ~~now~~ raised by Govt specifically, the Revenue Commissioner is not competent to give effect to the D.C.'s proposals in this behalf, which involve an extra cost of Rs 318 per annum to the Temple. ~~Subd. for Govt.~~

Regarding the proposal to revive Dakhshana and Pongal Mithana services, it is stated

The M.C. perhaps means that the scale is all right & need not be revised & that the restriction imposed may be removed. In any case the matter may be cleared & a reply issued in terms of the D.C.'s proposal on 24/10

that these two items were omitted, at the time of sending up proposals for revising the scale of the temple during 1938, as they were found unnecessary. The Shudmadasses, the local officers, the temple Agamika and the Agamika of the Mysore Commission Office have all stated these two services which are proposed to be continued at the prescribed hours, are in accordance with Shastrie principles and that it is quite essential to provide for these services, involving an extra cost of Rs 192/- per annum. The Deputy Commissioner has requested sanction to this proposal and the Mysore

The Mysore Commission has recommended sanction to this.

Q
Referring to G.O. No. 106-84/121-32-2 dated 7-12-1939, concerning a revised scale of income and expenditure for the temple referred to above, I have the honor to forward herewith a copy of letter No. 4.1554/39 dated 2nd November 1939, received from the Deputy Commissioner, Mysore District, recommending sanction to the revision of the scale of expenditure, in respect of the following three items.

i) Removal of pay out on multiple appointments held by the temple servants;

ii) Revival of the dhyanas and tangalivedana services in the temple; and

iii) Enhancement of the provision made in the scale for elephant feeding;

and to state as follows.

F
Regarding No. (i), Government. in their order mentioned above have directed that, where multiple appointments are held by a single servant of the temple and the aggregate pay of all such appointments exceeds Rs. 6, the full pay of one post carrying the highest pay and half the pay of the remaining appointments be paid, subject to the proviso that, when the total remuneration thus calculated is less than Rs. 6 per mensem, the officiator be paid the minimum pay of Rs. 6 per mensem.

T
Some of the temple servants have presented to the Deputy Commissioner, Manjanur, through petition, on 2-2-1940, the restriction imposed in respect of their pay as mentioned above as a hardship; and have prayed that their pay should be increased to be disbursed. The Deputy Commissioner has given his opinion in the

the appointments, to the respective temple

The Deputy Commissioner, after seeing with the local officers and the pharmedarsis, recommends that the restriction imposed may be cancelled and the holders thereof allowed to draw the appropriate pay of such posts. It is seen from the statement showing the names of persons holding multiple appointments--enclosed in the records--that C.L.No.2 is entitled to receive an appropriate pay of Rs 16 which is the highest and that, in some cases, such appropriate pay is as low as Rs 6-4-0. The scale sanctioned already does not require any revision, as it provides for the full pay of all such appointments.

(ii) Revival of padhyodhana and pongal nivedana service.-- The provision made for these two items were omitted at the time of submitting the revised scale, as the pharmedarsis found them to be unnecessary on the ground that these charges were not being incurred for some time and the scale as proposed, had been received only sanctioned by Government. The Deputy Commissioner now states that this is found, on further investigation, to be not borne out by facts.

The pharmedarsis and local officers have stated that, these two services are quite essential, as opined by the agamik of the temple and that a sum of Rs 16 may be provided for conducting these two sevas, as per the previous scale. The Deputy Commissioner recommends the revival of these two sevas.

The agamik of this office, who was consulted in the matter, states that padhyodhana and pongal nivedana services, which ~~are~~ proposed to be conducted at the prescribed hours, are in accordance with shastraic principles; and that it is quite essential to make provision for these two services in the revised scale, as opined by the temple agamik. The extra cost involved in this case is Rs 16 per mensem or Rs 192 per annum.

(iii) Enhancing the scale of elephant feeding.-- While submitting proposals for the revision of the scale of the temple, a sum of Rs 45 only was provided for this purpose, as the average expenditure for five years ended with 1935-36, worked out to Rs 476-8-3 and the same has been sanctioned by Government. It is reported that this amount provided in the revised scale, is totally inadequate to feed the two elephants properly; and that the actual expenditure that is being incurred now, is Rs 59-10-1 per mensem, as per details given in the statement--enclosed in the records.

The Deputy Commissioner now recommended that the provision for feeding of the elephants may be raised to Rs 600 and that the extra cost, which comes to Rs 150, may be met from the amount provided as reserve.

It is reported that a representation was made to the Deputy Member of Council, on the first two points, at the time of his visit to Mangaluru, on the 28th October 1939, and that the Member was pleased to remark that it would be sympathetically considered.

The total cost involved in the proposals now submitted by the Deputy Commissioner, is Rs 272 per annum; and this amount is recommended to be met from the reserve provided in the scale, now in force. Out of the reserve amount of Rs 8,272-10-0, a sum of Rs 25-0-0 per annum, for giving rewards for stopping the deer of the temple; a sum of Rs 500 per annum for the supply of oil to all the sannidhis; a grant of Rs 50 per mensem to the Sankaraputt Veda pathasala; and a sum of Rs 10 per annum for conducting certain processions; have been sanctioned by Government, in the marginally noted orders.

In the above circumstances, I recommend that sanction of Government may kindly be obtained to the Deputy Commissioner's proposals, the extra cost of Rs 272 per annum being met from the reserve amount provided in the revised scale sanctioned for the temple.

The records received with the Deputy Commissioner's letter are sent herewith for reference and kind return when done with.

I have the honor to be,

Sir,

Your most obedient servant,

[Signature]

Muzrai Commissioner.

PROCEEDINGS OF THE GOVERNMENT OF HIS HIGHNESS
THE MAHARAJA OF MYSORE.

Read:—

Government Order No. 906-2/Muz. 121-35-1 dated the 7th December 1938 sanctioning a revised scale of income and expenditure for the Sri Srikanteswaraswami Temple at Nanjangud.

2. Letter No. C. 75/38-10 dated the 11th September 1940 from the Muzrai Commissioner in Mysore requesting sanction to the revision of the above scale of expenditure in regard to the removal of pay cut on multiple appointments held by the temple servants, the revival of Dadhyodhana and Pongal Nivedana services in the temple and the enhancement of the provision made in the scale for elephant feeding.

Order No. 982-4 / *Muz 108-40-2* / *Q. R. R.*
Dated, Bangalore, 9th *November* 1940

The proposals of the Muzrai Commissioner are dealt with as hereunder:-

(1) Removal of pay cut on multiple appointments held by the temple servants - Government have in their order dated the 7th December 1938 read above directed that where a **number** of appointments are held by a single servant of the temple and the aggregate pay of all such appointments exceeds Rs. 6/-, the full pay of one post carrying the highest pay and half the pay of the remaining appointments be paid, subject to the provision that, when the total remuneration thus calculated is less than Rs. 6/- per mensem the officiator be paid the minimum pay of Rs. 6/- per mensem. Some of the temple servants have represented that this restriction imposed on their pay is working as a great hardship and that their pay may be ordered to be disbursed as usual. ~~Agreeing with the local officers & the Dharmadarsis of the temple, the Deputy Commissioner has recommended that the restriction imposed may be cancelled and the holders of more than one appointment may be allowed to draw the aggregate pay of all the posts held by them.~~ The Muzrai Commissioner has stated that the scale sanctioned does not require any revision, as it provides for the full pay of all such appointments. In the circumstances, Government are pleased to approve of the Deputy Commissioner's proposal.

(2) Revival of Dadhyodhana and Pongal Nivedana services - ~~The~~ The Dharmadarsis and the local officers have stated that these two services, which were omitted in the revised scale are quite essential under shastraic principles and the Agamiks in the Muzrai Commissioner's Office are also of the same opinion. The Muzrai Commissioner has therefore proposed that a sum of Rs. 16/- per mensem or Rs. 192/- per annum may be provided for conducting the two sevas, ^{the extra} cost of Rs. 192/- per annum being met from the reserve amount provided in the revised scale sanctioned in the Government Order read above. This proposal is also sanctioned.

(3) Enhancing the scale of elephant feeding in the temple - It is reported that the existing provision of Rs. 45/- per mensem is totally inadequate to feed the two elephants properly, and the Deputy Commissioner has recommended that this provision may be enhanced to Rs. 60/- per mensem the extra cost of Rs. 180/- per annum being met from the amount provided for the reserve in the sanctioned scale of the temple and the Muzrai Commissioner has supported it. Government are pleased to sanction this recommendation of the Muzrai Commissioner.
